## About Us

After more than 20 years, the National Education Show returns to the RDS Industries Hall on 20–21 March 2026. Bringing together teachers, school leaders and education professionals from across Ireland, the show offers an inspiring and informative experience for everyone working in education.

Enjoy a dynamic programme of CPD workshops, expert-led sessions and engaging talks focused on the latest developments in teaching and learning. With 80+ education suppliers exhibiting, attendees can explore new products, discover innovative solutions and connect directly with leading organisations, all under one roof. Many exhibitors will also offer exclusive event-only discounts, making this an ideal opportunity to source new suppliers and resources for your school or organisation.

All attendees will receive a CPD certificate, and registration is free, making the National Education Show a key date in the calendar for Ireland's education sector.
